

Our offices in Dudley have the following vacancy: Senior Estimator

An exciting opportunity has arisen for a Senior Estimator to join The Alan Nuttall Partnership LTD based in Dudley, West Midlands.

The Alan Nuttall Partnership Ltd is an innovative and diverse interior fit-out, foodservice and retail display Manufacturer. An award winning Employee Owned Partnership, with three divisions and almost 1 million square feet of dedicated production and logistics space, the Partnership designs, manufactures and installs interior display equipment for all areas of food, retail, leisure and commercial environments. Offering market leading products along with extensive prototyping resources, they remain at the forefront of new display solutions development, whilst also offering bespoke furniture and fit out, built to client specification.

Due to continued success in the Partnerships endeavours, an exciting opportunity has arisen for an enthusiastic and driven senior estimator who is responsible for achieving best cost price in order for sales profit and financial gains for the business.

As senior estimator in the interior fit out and retail display division you will be reporting directly to the Commercial Manager as well as working closely with the rest of the passionate and knowledgeable team to support and develop projects across the group.

Your key responsibilities as senior estimator will be:-

- Prepare cost budgets and estimates for new customers or projects
- Keep existing contracts up to date, including making amendments, providing new cost estimates, and maintaining communication with the stakeholder
- Prepare detailed, well-written proposals for each client, adhering to client guidelines while offering competitive and comprehensive cost estimates, and including supplementary documentation
- Work with the contracts manager and design team to help with development, innovation, and creativity on client projects
- Establish and develop productive, professional relationships with key stakeholders.
- Co-ordinate the involvement of personnel, including support, service, and resources, in order to meet objectives and expectations
- Co-ordinate internal resources and third parties/vendors for the flawless execution of projects

Ideally you will have experience of working within a retail manufacturing environment and will have relevant experience in cost and work time estimates and cost analysis. This is the perfect role for an organised estimator who is competent in estimating and is able to work within set time frames.

As a busy and exciting Partnership, you'll bring with you a proven ability to work within a fast paced, environment. You will be down to earth, honest, and resilient and have the ability to keep up with high work rate and match the existing team's can-do attitude.

Candidates should have a minimum of 3 years operational experience. A driving licence is desirable.

In return we can offer you a great working environment, generous holiday and a competitive salary, dependent upon experience.

For an opportunity to join the Partnership please submit your CV online.
