

OUR SITE IN DUDLEY HAS THE FOLLOWING VACANCY ...

Project Manager

With over 50 years of success in the design, manufacture and installation of interior fit-out and retail display equipment, our mission is to create dynamic, innovative interiors for any environment. With almost 1 million square feet of dedicated production and logistics space, we create signage and display equipment for retail, leisure, commercial, foodservice, education and healthcare. Combining unique in-house testing and prototyping resources, we remain at the forefront of product development, whilst offering tailored solutions to client specification.

Having the knowledge and manufacturing capability to offer an extensive range of interior solutions for projects large or small, The Alan Nuttall Partnership comprises of five Divisions which combine Company resources, strengths and skills to offer a 'one stop solution'.

We are looking for an experienced **Project Manager** to join our fast-paced team at our site in Dudley. The role will involve managing store fit-out projects, making sure that all customers' needs and expectations are met. This will involve costing, organising, sub-contracting and managing projects from start to finish, ensuring completion within agreed time scales and profit margins.

Duties will include ...

- Establishing and developing productive, professional relationships with key personnel in assigned customer accounts.
- Meeting targets for profit margins and strategic objectives.
- Managing projects in all aspects, customers expectation, flow of information through the business, costing's etc.
- Problem solving to meet customer requirements.
- Extensive travel to customer sites.

The ideal candidate should have ...

- A proven track record with blue chip retail clients.
- Commercial awareness.
- Extensive training and knowledge of Health & Safety.
- Exceptional organisational skills.
- Excellent people and communication skills.
- An approachable and professional manner.
- Good computer skills, especially Excel and Word.
- Passport and clean Driving Licence.

Experience in previous shop fitting Project Management roles is essential.
